

Maxos fusion

LL500Z PB BK

Maxos fusion, Accessory

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With an electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future layout changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

| General Information | |
|--------------------------|----------------------------|
| Accessory colour | Black |
| Product family code | LL500Z [Maxos fusion Acc.] |
| Value ladder | Specification |
| | |
| Operating and Electrical | |
| Input Voltage | - V |
| Line Frequency | - Hz |
| | |
| Mechanical and Housing | |
| Overall diameter | 0 mm |
| Material | Steel |
| | |
| | |

| Approval and Application | | |
|-----------------------------------|-----------------------|--|
| Ingress protection code | - | |
| Mech. impact protection code | IKO2 [0.2 J standard] | |
| | | |
| Product Data | | |
| Order product name | LL500Z PB BK | |
| Full product name | LL500Z PB BK | |
| Full EOC | 871869637456699 | |
| Order code | 37456699 | |
| Material no. (12 NC) | 910925864229 | |
| SAP numerator – quantity per pack | 1 | |
| EAN/UPC — Product/Case | 8718696374566 | |
| Numerator – packs per outer box | 40 | |
| EAN/UPC - Case | 8718696383476 | |
