

Maxos fusion

LL546Z CD BK

Maxos fusion Acc., Black

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

General Information		Approval and Application	
Flammability mark	For mounting on normally flammable surfaces	Fixation material	Stainless steel
Warranty period	5 years	Housing Color	Black
Accessory color	Black	Overall length	4,551 mm
Product family code	LL546Z [Maxos fusion Acc.]	Overall width	63 mm
EU RoHS compliant	Yes	Overall height	42 mm
Value ladder	Specification	Dimensions (Height x Width x Depth)	42 x 63 x 4551 mm
Operating and Electrical		Material	Steel
Line Frequency	- Hz	Mech. impact protection code	IK00 [No protection]
Input Voltage	- V	Protection class IEC	-
Mechanical and Housing		Product Data	
Housing Material	Steel	Full product code	871869637472699

Maxos fusion

Order product name	LL546Z CD BK
Order code	910925864248
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	10
Material Nr. (12NC)	910925864248

Full product name	LL546Z CD BK
EAN/UPC - Case	8718696383667
