

Maxos fusion

LL500Z CPE BK

Maxos fusion Acc., Black

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

General Information	
Angle	-
Value ladder	Specification
Product family code	LL500Z [Maxos fusion Acc.]
Accessory color	Black
Operating and Electrical	
Input Voltage	- V
Line Frequency	- Hz
Input Frequency	- Hz
Mechanical and Housing	
Overall length	400 mm
Overall width	68 mm

Overall height	30 mm
Dimensions (Height x Width x Depth)	30 x 68 x 400 mm
Material	Steel
Approval and Application	
Mech. impact protection code	IK00 [No protection]
Protection class IEC	-
Product Data	
Full product code	871869638331500
Order product name	LL500Z CPE BK
Order code	910925864213
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	1

Maxos fusion

Material number (12NC)	910925864213
Full product name	LL500Z CPE BK
EAN/UPC - Case	8718696383315
