

# Maxos fusion

## LL500Z MB-SW WH

Maxos fusion Acc., White

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

### Product data

<b>Operating and Electrical</b>		<b>Material</b>	
Line Frequency	- Hz	Steel	
Input Voltage	- V		
<b>General Information</b>		<b>Approval and Application</b>	
Accessory color	White	Mech. impact protection code	IK00 [No protection]
Product family code	LL500Z [Maxos fusion Acc.]	Protection class IEC	-
Value ladder	Specification	<b>Product Data</b>	
<b>Mechanical and Housing</b>		Full product code	871869637451199
Overall length	65 mm	Order product name	LL500Z MB-SW WH
Overall width	40 mm	Order code	910925864221
Overall height	50 mm	Numerator - Quantity Per Pack	1
Dimensions (Height x Width x Depth)	50 x 40 x 65 mm	Numerator - Packs per outer box	40
		Material Nr. (12NC)	910925864221
		Full product name	LL500Z MB-SW WH
