Maxos fusion

LL523Z CD WH

Maxos fusion Acc., White

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

General Information

Flammability mark	For mounting on normally flammable surfaces
Warranty period	5 years
Accessory color	White
Product family code	LL523Z [Maxos fusion Acc.]
EU RoHS compliant	Yes
Value ladder	Specification

Operating and Electrical

Line Frequency	– Hz
Input Voltage	– V

Mechanical and Housing

Housing Material	Steel

Fixation material	Stainless steel
Housing Color	White
Overall length	2,275 mm
Overall width	63 mm
Overall height	42 mm
Dimensions (Height x Width x Depth)	42 x 63 x 2275 mm
Material	Steel

Approval and Application

Mech. impact protection code	IK00 [No protection]
Protection class IEC	–
