

Maxos fusion

LL600Z BC L520 WH

Maxos fusion Acc., White

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

Operating and Electrical		Material	Polycarbonate
Line Frequency	- Hz	Approval and Application	
Input Voltage	- V	Mech. impact protection code	IK00 [No protection]
General Information		Protection class IEC	-
Accessory color	White	Product Data	
Product family code	LL600Z [Maxos fusion Acc.]	Full product code	871869698947099
Value ladder	Specification	Order product name	LL600Z BC L520 WH
Mechanical and Housing		Order code	910925864956
Overall length	520 mm	Numerator - Quantity Per Pack	1
Overall width	60 mm	Numerator - Packs per outer box	8
Overall height	8.5 mm	Material Nr. (12NC)	910925864956
Dimensions (Height x Width x Depth)	9 x 60 x 520 mm	Full product name	LL600Z BC L520 WH
