

# LuxSpace, recessed

#### **DN570B LED24S/830 PSU-E C WH**

LuxSpace, recessed, 20 W, D200 mm, 2600 lumen, 3000 K, High-gloss reflector, IP20

Customers are looking to optimize all their resources, and that means not just their running costs (energy, etc.) but also user costs where they see much bigger impact on return. Therefore, LuxSpace is designed to provide the perfect combination of efficiency, visual comfort and design, without compromising on lighting performance (color rendering and light distribution). It offers a wide choice of options for creating the desired ambience to support user comfort, no matter the application is. For office applications LuxSpace supports health and wellbeing having dedicated Tunable White products and lighting controls.

#### **Product data**

| General Information      |                                    |
|--------------------------|------------------------------------|
| Light source replaceable | No                                 |
| Number of gear units     | 1 unit                             |
| Driver included          | Yes                                |
| Service tag              | Yes                                |
| Product family code      | DN570B [LUXSPACE 2 COMPACT LOW     |
|                          | HEIGHT]                            |
| Lighting Technology      | LED                                |
| Value ladder             | Specification                      |
| CE mark                  | Yes                                |
| Warranty period          | 5 years                            |
| Flammability mark        | For mounting on normally flammable |
|                          | surfaces                           |
| ENEC mark                | ENEC mark                          |
| Glow-wire test           | Temperature 650 °C, duration 30 s  |
|                          |                                    |

| EU RoHS compliant                  | Yes            |
|------------------------------------|----------------|
|                                    |                |
| Light Technical                    |                |
| Luminous Flux                      | 2,600 lumen    |
| Correlated Color Temperature (Nom) | 3000 K         |
| Luminous Efficacy (rated) (Nom)    | 130 lm/W       |
| Color rendering index (CRI)        | >80            |
| Stroboscopic effect value (SVM)    | 0.4            |
| Light source color                 | 830 warm white |
| Optic type                         | -              |
| Luminaire light beam spread        | 80°            |
| Unified glare rating CEN           | 22             |
|                                    |                |
| Operating and Electrical           |                |
| Line Frequency                     | 0/50/60 Hz     |
