

### EC Declaration of Conformity

This declaration of conformity is issued under the sole responsibility of the manufacturer Sylvania:

The designated product(s) is (are) in conformity with the provisions of the following European Directives:

|                               |                                                                                                                                                                                                                                                            |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2014/35/EU<br>and amendments  | Directive of the European Parliament and of the Council of 26 February 2014<br>on the harmonisation of the laws of Member States relating to the making available on the market of<br>electrical equipment designed for use within certain voltage limits. |
| 2011/65/EU<br>and amendments  | Directive of the European Parliament and of the Council of 8 June 2011 on the restriction of the use<br>of certain hazardous substances in electrical and electronic equipment                                                                             |
| 2009/125/EC<br>and amendments | Directive of the European Parliament and of the Council of 21 October 2009 establishing a framework<br>for the setting of ecodesign requirements                                                                                                           |
| 2014/30/EU<br>and amendments  | Directive of the European Parliament and of the Council of 26 February 2014<br>on the harmonisation of the laws of the Member States relating to electromagnetic compatibility                                                                             |

1. Product(s): **LED GLS lamps**

Brand: **Sylvania**

Type Designation: **(see enclosed list)**

#### 2. Applicable standards

EN 62560 (2012) + A1(2015) + A11(2019), Self-ballasted LED-lamps for general lighting services by voltage > 50 V - Safety specifications  
EN 62471 (2008), Photobiological safety of lamps and lamp systems  
EN 62493 (2015), Assessment of lighting equipment related to human exposure to electromagnetic fields  
EN 55015 (2019) + A11 (2020), limits and methods of measurements of radio disturbance characteristics of electrical lighting and similar equipment  
EN 61000-3-2 (2019), Electromagnetic compatibility (EMC) - Part 3-2: Limits - Limitation for harmonic current emissions (equipment input current up to and  
including 16 A per phase)  
EN 61000-3-3 (2013) + A1 (2019), Electromagnetic compatibility (EMC) - Part 3-3: Limits - Limitation of voltage changes, voltage fluctuations and flicker in  
public low-voltage supply systems, for equipment with rated current ≤ 16 A per phase and not subject to conditional connection  
EN 61547 (2009), Equipment for general lighting purposes - EMC immunity requirements  
EN 50581 (2012) Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances

(number and date of issue)

- following the implementing COMMISSION REGULATION (EU) 2019/2020 of 01 October 2019 and its amendment(s)  
laying down ecodesign requirements for light sources and separate control gears

The CE mark was affixed in : 21
