

# Introducing the GE LED Bright Stik™.

## Light that's just right.

Lamps come in many shapes and sizes, and so should light bulbs. Our new cylindrical-shaped **LED Bright Stik™** was designed to fit even more sockets than ordinary bulbs. It is the ideal choice affordable LED light bulb that delivers instant brightness for any room in your house.

## Multi Use

Unique cylindrical shape fits more sockets than an ordinary bulb.

## Long Lifetime

Lasts 15 years at 2,7 hours/day.

## Energy Saving

Saves €76 on energy per bulb.
