### UV disinfection luminaire **DIRECT 1x30W**

#### Technical details:

- Area: up to 15m<sup>2</sup>
- Power supply: 220-240V 50/60Hz
- Power: 30W
- Service life: 9000 hours
- UVC on HF ballast: at least 13.1 W
- Weight: 3,1 kg
- Necessary replacement of the UV-C lamp: 1 per year
- Installation: wall, ceiling, stand
- Contains 1 Philips lamp (254nm UVC)
- Width: 165mm
- Length: 940mm
- Depth without suspension: 80mm
- Depth with suspension: 135mm

**Product No.: 33589**

#### Intended use:

Air and surface disinfection, prevention of secondary infections. Kills bacteria, viruses, fungi and mould..

#### Fields of application:

Production halls, hospitals, medical facilities, pharmacies, public transport and many more.

### UV disinfection luminaire **DIRECT 2x30W**

#### Technical details:

- Area: up to 25m<sup>2</sup>
- Power supply: 220-240V 50/60Hz
- Power: 60W
- Service life: 9000 hours
- UVC on HF ballast: at least 26.2 W
- Weight: 3,5 kg
- Necessary replacement of UV-C lamps: 1 per year
- Installation: wall, ceiling, stand
- Contains 2 Philips lamps (254nm UVC)
- Width: 245mm
- Length: 940mm
- Depth without suspension: 80mm
- Depth with suspension: 135mm

**Product No.: 33590**

### UV disinfection luminaire **DIRECT 1x36W**

#### Technical details:

- Area: up to 15m<sup>2</sup>
- Power supply: 220-240V 50/60Hz
- Power: 36W
- Service life: 9000 hours
- UVC on HF ballast: at least 15 W
- Weight: 3,1 kg
- Necessary replacement of the UV-C lamp: 1 per year
- Installation: wall, ceiling, stand
- Contains 1 Philips lamp (254nm UVC)
- Width: 165mm
- Length: 1240mm
- Depth without suspension: 80mm
- Depth with suspension: 135mm

**Product No.: 33591**

#### Intended use:

Air and surface disinfection, prevention of secondary infections. Kills bacteria, viruses, fungi and mould..

#### Fields of application:

Production halls, hospitals, medical facilities, pharmacies, public transport and many more.

### UV disinfection luminaire **DIRECT 2x36W**

#### Technical details:

- Area: up to 25m<sup>2</sup>
- Power supply: 220-240V 50/60Hz
- Power: 72W
- Service life: 9000 hours
- UVC on HF ballast: at least 30 W
- Weight: 3,8 kg
- Necessary replacement of UV-C lamps: 1 per year
- Installation: wall, ceiling, stand
- Contains 2 Philips lamps (254nm UVC)
- Width: 245mm
- Length: 1240mm
- Depth without suspension: 80mm
- Depth with suspension: 135mm

**Product No.: 33592**
